Term 1:
Congratulations to students, staff and our community on an excellent start to the year and a great Term 1. The term has been a very positive and productive one which has gone very quickly. I would like to commend our students on the start to the term, their excellent learning and their continued efforts throughout the term. Well done! I am very proud of you!
Our Term 2 calendar is also included for your information.

Term Highlights:
Highlights of our term have included:

- Kindergarteners commencing – congratulations on a fabulous start to school and a great term.
- Induction of Student Leaders – our team are working very hard and are a great cohesive group.
- Year 5 and Year 6 Overnight Camps – congratulations to students on their excellent participation and behaviour.
- P & C Fundraising – congratulations on your great successes and hard work and leadership.
- Sporting Achievements – congratulations on wonderful achievements by teams and individuals who also always represent their school so well and so proudly.
- Hat and Mask Parade – congratulations to all of our students and parents for their great efforts. A special thanks to Mrs Matthies and Mrs Boyd for their excellent leadership.
- ANZAC Ceremony – a special thank you to our guest, Mr Ray law, our student leaders and Miss Jourdan for her excellent leadership and community support.

Returning for Term 2:
Just a reminder that the first two days of Term 2 ie. Monday 29th April and Tuesday 30th April are School Development Days and student free days. The Tuesday is a special day this year for the Australian Curriculum Development.

All students return on Wednesday 1st May.

Swimming Carnival Survey and Hat Survey:
The results of the Swimming Carnival Survey are published with this newsletter. The Hat survey results will be made available early next term in more detail and presented to the P & C at the next meeting for further discussion and implementation. 72% of responses were in favour of changing to the new style of hat. The proposal was strongly supported. We received 53 responses from our community, possibly our biggest response so far to a survey.
Many thanks to all who took time to respond to the surveys. We appreciate knowing your feedback.

Work, Health and Safety Committee:
Just a reminder from our committee that footwear to school needs to be appropriate and part of our school uniform. Casual slip on shoes are not sturdy enough and do fly off when playing sport which can also be dangerous.

A reminder that we are a uniform school and students are expected to be in the appropriate uniform. A uniform list is attached for your reference.
Thank you for your ongoing support with this and we love our students to take pride in their uniform and be proud of our school, whilst they are at school and representing our school.

Lockdown Practice (yesterday):
Congratulations to our wonderful students, teachers, SLSO’s and office staff on the excellent Lockdown practice we had yesterday. Our students were so settled, sensible and focused in their classroom. Well done everyone – you are all a credit to Picton Public School!

Have a lovely holiday with your children and family.

With Best Wishes,
Lyn Fraser, Principal

Donna Duck P & C President, Special Guests from Illawarra Coal, School leaders Sam Griffiths, Jemima Taylor and Chris Herd, P & C Vice President following the Combined Assembly last week in which the valuable contribution of Illawarra Coal towards Interactive Whiteboards (IWB’S) was acknowledged. We now have IWB’S in every classroom!

**Attendance Reminder** for all of our parents is included with the newsletter. Students need to attend school not only every day but need to be on time for school at the start of their valuable learning each day. Absences provided to office staff **MUST** be specific eg. “Sick” is not adequate for DEC policy, a specific reason at all times must be notated. Thank you for your co-operation with this policy.

Toys for Younger Students
Please keep in mind over the holidays if you have a toy clear out. We now keep a stock of toys for the playground. We prefer larger hardy toys which can withstand being moved around a lot and being played with on the concrete so large sets with no small parts please.
Toys can be delivered to my verandah.
Many thanks!

Thank you in anticipation of your support.

Did you know? If students miss as little as eight days in a school term, by the end of primary school they will have missed a year of education.

Why must I send my child to school?

Education in New South Wales is compulsory. This means all children from six years of age and under the minimum school leaving age are legally required to attend school.

From 2010, all New South Wales students must complete Year 10. After Year 10 and until they turn 17 years of age students must be:

1. in school or registered for home schooling, or
2. in approved education or training (e.g. TAFE, traineeship, apprenticeship) or
3. in full-time, paid employment (average 25 hours per week) or in a combination of work, education and/or training.

Principals are legally responsible for keeping accurate records of student attendance.

Principals are also responsible for deciding if the reason given for an absence is justified.

For this reason, Principals may request medical certificates or other documentation for long or frequent absences explained by parents as being due to illness.

If Principals don’t consider an explanation to be satisfactory, they will record the absence as unjustified.

It is important to understand that the New South Wales Department of Education and Training may prosecute parents (including carers) if children of compulsory school age have recurring numbers of unjustified absences from school.

Must I send my child every day?

YES. It is a condition of enrolment that you send your child to school every day.

A small number of absences may be justified if your child:

- has to go to a special religious ceremony
- is required to attend to a serious and/or urgent family situation (e.g. a funeral)
- is too sick to go to school or has an infectious illness.

Head lice infestations can be a common occurrence, particularly in primary schools. Parents should check their child’s hair regularly for head lice and undertake treatment where eggs or lice are identified.

Translated information about head lice and how to treat them can be found at https://www.det.nsw.edu.au/languagesupport/documents/headlice/infosheet.htm

Advice from NSW Health indicates that there is no need for students to be sent home or excluded from school because of head lice. Head lice, is not a valid reason for prolonged absences from school.

Why is regular attendance at school important?

Regular school attendance will help your child to succeed in later life.

Attending school every day makes learning easier for your child and helps children to build and maintain friendships with other children.

If your child doesn’t learn the basic skills in the early years of school, they may develop learning problems in later years.
Why is arriving at school on time important?

Arriving at school and class on time:
- ensures that your child doesn’t miss out on the important learning activities scheduled early in the day when they are most alert
- helps your child to learn the importance of punctuality and routine
- gives your child time to greet their friends before class and therefore
- reduces the opportunity for classroom disruption.
Lateness is recorded as a partial absence and must be explained to the school the same way as other forms of absence.

What should I do if our family is going on holiday in school time?

Parents and carers are encouraged not to withdraw their children from school for family holidays. Families should try to arrange holidays during school vacations.

If your family holiday is during school time, inform the school principal in advance and request leave and/or an exemption from school.

Depending on the circumstances and how long the leave will be, you may ask the school to provide tasks that can be completed while your child is absent.

Must my child attend all activities, including daily fitness and sport?

YES. Sport and other physical activities help to keep your children healthy. Children are expected to attend all regular school activities, including sport.

Do not keep your child away from school for the following:
- birthdays
- shopping
- minding other children
- routine check ups or care such as hair cuts
- minor family events
- sleeping in.

Medical and other health appointments for your child should be made either before or after school or during the school holidays.

What should I do if my child has to stay away from school?

If your child has to be absent from school, it is important to tell the school and provide a reason for your child’s absence. To explain an absence parents and carers may:
- send a note, fax or email to the school
- telephone the school, or
- visit the school.

All absences must be explained to the school. Bilingual absentee notes and further information on attendance can be found on the Department’s website under the heading School Attendance (School Attendance) at

The principal of the school has the right to question parents’ or carers’ requests for their child to be absent from school.

The principal may also question any explanation given for a child’s absence from school.

My child won’t go to school. What should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. The principal may seek support from a home school liaison officer or Aboriginal student liaison officer.

Who are home school liaison officers and Aboriginal student liaison officers?

Home school liaison officers and Aboriginal student liaison officers have been specially trained to help you with your child’s attendance.

They work with school communities to encourage all students to attend school regularly.

For further information about the Home School Liaison Program you should contact the program manager at your local Department of Education and Training regional office. Contact numbers can be found at the website address:

Do you have problems with getting your child to school, for some of the following reasons?
- won’t get out of bed
- won’t go to bed
- can’t find their clothes, books, homework, school bag...
- school lunches not ready
- slow to eat breakfast
- homework not done
- watching television late at night or when they should be getting ready for school
- test or presentation at school
- birthdays
- screaming and not letting go of you.

Here are some suggestions which are based on setting regular routines:
- Have a set time to be out of bed
- Have a set time to go to bed
- Have uniform and school bag ready the night before
- Make lunches the night before
- Have a set time for starting / ending breakfast. A routine is important.
- Set time for daily homework activities
- Turn the television on for a set time and only if appropriate
- Be firm, children must go to school
- Provide lots of positive encouragement
- Be firm, a birthday is not a holiday
- Time arrival at school to coincide with bell time and leave quickly. If arranged with the teacher beforehand, place your child’s hand into that of the teacher and then leave.

Do you need an interpreter?

Interpreting services are provided where possible for parents and carers who do not speak or understand English well and for Deaf parents and carers who use sign language. For more information on interpreter services contact your school or phone the Telephone Interpreter Service and have them contact the school. The telephone number to ring is 131 450. Ask for an interpreter in the required language and the interpreter will call the school and stay on the line to assist you with your conversation. You will not be charged for this service.

ONGOING FUNDRAISING PROGRAMS AT PPS

Thank you to all the wonderful families who have been sending in their school dollars from Bret Quinn, The Good Guys, Blaxland Road, Campbelltown.

For every $25 you spend at the Good Guys, they will give the school $1 in school money to spend on items for fundraising raffles, etc. So don’t forget to ask the next time you make a purchase and drop them off to the school office.

Please fill in your docket number and the date of purchase so that the dollars can be validated. They will not accept any dollars that are not completed on the reverse.

DON’T FORGET TO ASK FOR YOUR SCHOOL DOLLARS FROM THE GOOD GUYS CAMPBELLTOWN WHEN YOU ARE SHOPPING THERE!

Is your child a student at Picton Public and do they have a close relative that works with Telstra???

Telstra has a great community program which provides a one-off grant of $1,200 (conditions apply) to qualifying community groups (like our P & C) who assist in providing worthwhile resources to students. If your child is a sibling, step-child, niece/nephew, grandchild or foster child of a person working on a permanent basis with Telstra, please provide your details to the office and we can get in touch. The P & C has a few smaller projects that we would love to do, but haven’t got the funding available. Don’t forget to ask the aunties and uncles!
